MANtana Polar Plunge 2010

January 20, 2010

Hey CyberPals!

On MySpace, The Great State of MANtana does the Polar Plunge in Virginia every year to benefit the Special Olympics.

MANtana is *VERY* controversial. He will make you laugh and piss you off at the same time. If you like off the wall, irreverent 4Chan humor, you're gonna love him. Check him out!

C.C. discusses her husband's foundation on her MySpace blog. They narrowly missed death last week as their trip to Haiti was canceled because of a snafu with their passports. The hotel they had planned to stay in was leveled.
