Hey CyberPals!

One of my 3D characters "CyberGirl" is being featured in this month's issue of The Poetic Pinup Revue.

http://poeticpinuprevue.com/?page_id=13

If you want to check it out and order a subscription, they feature top pinup models on a regular basis. Great stuff.

Additional artwork I contributed can also be found on my Facebook page, which includes my Randi Athenas character dressed as Jessica Rabbit.

You can also follow Randi on Twitter. She follows back and she's hilarious. She also promotes your blogs and projects. People love her.

SOAPBOX: RANTS AND RAVES...
You Either 'Get It'... or You Don't. (July 10th, 2011)- Life is a never ending river flow. Sometimes the course can become dangerously erratic; Sometimes it's filled with obstacles like rocks and fallen trees; Sometimes it reaches an 'end' with a really large drop, where it continues again.

How to Use RSS Feeds (May 28th, 2011)- A simple guide to RSS and how to use it in your bookmarks. RSS is great for busy people who just want to visit a site only when there is fresh content...

MySpace Blogger Websites - In Case of Emergency (May 15th, 2011)- As you can see, many MySpace bloggers have become disenchanted with the state of affairs here. It may be fixed. It may not. Many of your favorite bloggers have set up blogs elsewhere, and I recommend you to do the same.
