Hey CyberPals!

So am I the only one *NOT* surprised by the Michael Jackson verdict? Believe me, I'm hardly rooting for the guy, but that was the weakest case I ever saw. I also thought Star Wars III sucked, and I'm not thrilled with Batman's new costume or the new "Bat Hummer".

Other than that, I'm doing great! How are you?

So am I the only the only one who thought Star Wars III sucked? - Lots of spoilers in an in-depth analysis why George Lucas SUCKS! Something to get your summer going right.

SoApBoX: Rantz & Raves"Nice guys (and girls) finish last at work too." (May 1st, 2005)- What a lot of us "Good Worker Bees" (aka "Grunts") fail to realize is that companies are dominated by "Suits" who are ready to take credit for the good and push the errors off to blame on some flunky who is usually on the bottom of the food chain... how to survive the Corporate ladder and screw them before they screw you first. http://www.ericbrooks.com/soapbox/article.php?p=176"Making iTunes (and other fancy) buttons" (April 18th, 2005)- There's a great tutorial on Unlimit-3D.Com on how to make those glassy iTunes buttons that seem all the rage these days. http://www.ericbrooks.com/soapbox/article.php?p=175"The facts and myths of Satanism" (March 5th, 2005)- You know the Satanists...the dark robes, and ceremonies in which they sacrifice an animal or baby to their Dark Lord? The demonic power as they conjure up the fearsome demons to strike at their enemies? Yeah Satanists get a kick out of those fictional movies too. :) http://www.ericbrooks.com/soapbox/article.php?p=173
