Tuesday, September 18, 2007

Hey CyberPals!

Wow. I was just seeing on the news that there may have been a hit put on Kevin Federline...

Was Popozao really THAT bad???

FREE STUFF IS BACK!
After taking it down from a legal action 2 years ago*, you can now download freebies again!

*Okay, well the settlement was done rather quickly, but I was just too lazy to put it back up.

I'll be adding more later, but right now you can download wallpaper, Poser characters and Photoshop items. Future items will be Poser Props and scenes, screen savers and desktop games (all the old stuff was really out-dated, wasn't it?).

The Problem Adults Store
http://store.problemadults.com

OK, well if you've been living under a rock this past year or so, Problem Adults.Com has its own Cafepress store now. We have a 2008 calendar (which I'll nag you later about), coasters, t-shirts and all sorts of goodies for people who refuse to grow up.

Btw, have you joined Problem Adults yet? What are you waiting for? It's THE hangout for all my web friends!

SoApBoX: Rantz & Raves"Seriously... Cho was a pu*sy. " (April 20th, 2007)- How tough can you be to pull a gun on a bunch of unarmed students? And I see a bunch of fucked-up kids on MySpace thinking he's some sort of role model? His EMO-spewing whinings in his manifesto were cool? http://www.ericbrooks.com/soapbox/article.php?p=181"An Inconvenient Pack of Morons" (January 3rd, 2007)- The same people who insist that Global Warming is a "myth" are the same people who think "Theory" in science (Capital "T" as in "Theory of Evolution") means the same thing as "conspiracy theory"... so, you know, consider the source. http://www.ericbrooks.com/soapbox/article.php?p=180"The REAL reason why "Nice Guys Finish Last"" (July 2nd, 2006)- Well? Cuz you're an idiot. What do you want me to tell you? You fell for those ridiculous Cosmopolitan articles, and you're puzzled as she "thinks of you as a big brother" now. And of course

it's all her fault because "women make no sense", right?
