Hey CyberPals!

HALLOWEEN E-CARDS
It's spooky time!!!!

Send a FREE E-Card to your friends, family or co-workers:

Monster Mash E-Cards: The ever-so-popular flash E-card. Animated fun with Frankie and company in their very own DisGHOULteque. Even the "Monster Mash" Midi file is here for you!

Halloween E-Cards: Oooh... spooky stuff! From Scream to KISS. May I recommend Georgio Moroder's "Theme From Halloween" for the background music?

And well, if you get this newsletter too late... don't fret.
You can send out Thanksgiving E-Cards really early too. :D

SoApBoX: Rantz & Raves"Seriously... Cho was a pu*sy. " (April 20th, 2007)- How tough can you be to pull a gun on a bunch of unarmed students? And I see a bunch of fucked-up kids on MySpace thinking he's some sort of role model? His EMO-spewing whinings in his manifesto were cool? http://www.ericbrooks.com/soapbox/article.php?p=181"An Inconvenient Pack of Morons" (January 3rd, 2007)- The same people who insist that Global Warming is a "myth" are the same people who think "Theory" in science (Capital "T" as in "Theory of Evolution") means the same thing as "conspiracy theory"... so, you know, consider the source. http://www.ericbrooks.com/soapbox/article.php?p=180"The REAL reason why "Nice Guys Finish Last"" (July 2nd, 2006)- Well? Cuz you're an idiot. What do

you want me to tell you? You fell for those ridiculous Cosmopolitan articles, and you're puzzled as she "thinks of you as a big brother" now. And of course it's all her fault because "women make no sense", right? http://www.ericbrooks.com/soapbox/article.php?p=179
