PROBLEM ADULTS CLOSING DOWN
After 2 1/2 WILD years we've come to the conclusion that it's all become "work" for us, and it's time to end it all on a high note. Our last day is December 30th, as we want to spend the holidays together.

MY FIRST MOVIE!
Sick of all the silly 9/11 conspiracies? Well direct then to my new movie... LOOSE SCREWS. Besides the constant anti-semitic overtones these nuts have, as a native New Yorker, I RESENT these people using a tragedy like this to make a few bucks selling their DVD's.

SoApBoX: Rantz & Raves"Seriously... Cho was a pu*sy. " (April 20th, 2007)- How tough can you be to pull a gun on a bunch of unarmed students? And I see a bunch of fucked-up kids on MySpace thinking he's some sort of role model? His EMO-spewing whinings in his manifesto were cool? http://www.ericbrooks.com/soapbox/article.php?p=181"An Inconvenient Pack of Morons" (January 3rd, 2007)- The same people who insist that Global Warming is a "myth" are the same people who think "Theory" in science (Capital "T" as in "Theory of Evolution") means the same thing as "conspiracy

theory"... so, you know, consider the source.
http://www.ericbrooks.com/soapbox/article.php?p=180"The REAL reason why "Nice Guys Finish Last"" (July 2nd, 2006)- Well? Cuz you're an idiot. What do you want me to tell you? You fell for those ridiculous Cosmopolitan articles, and you're puzzled as she "thinks of you as a big brother" now. And of course it's all her fault because "women make no sense", right?

-http://www.ericbrooks.com/soapbox/article.php?p=39Tales FROM a dead shaman - A little about how we treat Native Americans, and a strange dream of a Shaman I had back in 1995 who told an incredible tale, and how my life was about to change.
-http://www.ericbrooks.com/soapbox/article.php?p=56Election aftermath - Ahh... the people have spoken. And they are truly idiots. However, it's all about choice. That's what makes America great, right? Even if dark days, a lot of despair, doom & gloom are ahead of us. And you just gave the enemies the keys to the kingdom. Hey, that's cool.
